

For the love of food and wine

Welcome to the Ryzlink Restaurant. In the heart of South Moravia, in a place where quality wine, delicious food and magical views will accompany you at every step. Your experience can begin!

The Fucik family has been engaged in viticulture in Mikulov for generations. Our story began to be written in 2014, when Petr Fucik bought an old farm and created it into the wonderful Fucik Family Winery. Two years later, he added the wine-growing Hotel Ryzlink to it.

And it is wine that accompanies you every step of the way in our hotel and restaurant. Enjoy a delicious menu paired with unique wines from our winery and discover the perfection of this combination.

Fair and locally sourced

In our restaurant, we emphasize the quality and locality of ingredients. The basis of each dish is therefore fresh ingredients without added chemicals. Try cheeses from Kroupa's Chees factory from Dolní Dunajovice, meat products from family butcher shop Hakalík from Lanžhot or our homemade jams. We have an herb and vegetable garden where we lovingly grow our own herbs, tomatoes and courgettes.

Passion for gastronomy and creativity is driven by our great culinary team. The menu we present to you combines modern gastronomic methods with traditional recipes.

Taste and see for yourself!

And remember, life is too short to skip dessert. 😊
